I cherish spending time with my family. Can you relate? I love the bond we have with one another, and there's nothing more precious to me. I also enjoy connecting with those outside my immediate circle of loved ones, and when I have the opportunity to gather with people who have similar interests, my family feels larger than it is.

## EVERYTHING IN ITS PLACE ------

EVERYDAY OCCASIONS

The Stamparatus includes two plates and is the perfect tool to help ensure your stamped images are flawlessly positioned. The three steps on the right show how. Use this tool to layer multiple images, create a scene, nestle small greetings inside larger images, and more. Find all the Stamparatus supplies you need on p. 184–185.

STEP 1

Ink and stamp your large image. Use included magnets to keep cardstock in place.

STEP 2

Position greeting stamps to fit between the stamped lines. Lower the plate—the photopolymer will cling to it then ink the stamps.

STEP 3 Lower the plate to stamp the greetings, and enjoy your completed multi-coloured image!
